# Basic Information

## Fudan University

Fudan University was founded in 1905 and located in the cosmopolitan city of Shanghai. Fudan is a comprehensive multi-disciplinary research university with many highly-ranked majors and programs, and is a member of the C9 League, Universitas 21 and Association of Pacific Rim Universities (APRU). Fudan has four campuses, covering an area of 2,440,000m<sup>2</sup>, with the measure of 1,490,000m<sup>2</sup> of school buildings. The university possesses 5 national key laboratories and 33 provincial key laboratories. Fudan has 5 libraries specializing in the field of liberal arts, science, and medicine, with over 5,190,000 collections of books. It has 11 affiliated hospitals, all

<http://www.fudan.edu.cn/englishnew/>

possess advanced facilities. Fudan University comprises 19 schools, 69 departments, 70 bachelor's degree programs, 229 master degree programs, 187 Ph.D. degree programs. The number of full-time teachers is over 2,700, 745 of them are professors, 795 of them are associate professors, 34 of them are academicians of the Chinese Academy of Science and the Chinese Academy of Engineering. Fudan has more than 30,000 full-time students, consisting of over 14,000 master's students and doctoral students, over 14,000 undergraduate students, and over 3,400 international students.

# Studying at Fudan

## Accommodation

Fudan Foreign Student Dormitory is made up of the Main building and the Supplementary buildings.

The main building located northwest of Fudan campus is a 23 storey building with totally 728 rooms, 582 single rooms and 146 double rooms respectively. There are 4 elevators in the main building (in the mid of north and south lobbies). The double rooms are from the 1st floor to the 14th floor. From the 2nd floor to the 20th floor, there are 36 rooms on each floor with 18 rooms on both sides. Each floor is equipped with 2 kitchens at both ends of corridor respectively. The kitchens are equipped with: gas oven (1), refrigerator (1), washing machine (the card to access it can be purchased at the laundry room, Supplementary Building, Unit 4), gas water heater (1), and automatic water boiler (1). From the 21st floor to the 23d floor there are 12 rooms on each floor, 6 per side. All the rooms in the main building are equipped with balconies, air-conditioner, private bathroom, telephone (purchase a 201 card to access), internet access and cable (6 months or yearly purchase to access).

*More information about the foreign student dormitory are to be find at the ISO website: <http://iso.fudan.edu.cn/en/house.htm>*

**BOEDICKER SARAH ,USA**

I have been enjoying my time here at Fudan. I cannot believe that it is going by so fast. I have been spending a lot of time studying and working on school work. But I have been venturing off campus and checking out some stores and places to see! I mostly follow along with other people that are going to places like Yuyuan Garden or someplace like that...

**KANG HARAM, Canada**

Life is very different from home, but I am really enjoying my stay in Shanghai. I spend my free time trying to travel and see new sights within the city also I like hanging out with new friends both international and local...

**Words of Students**

**Why Fudan?**

- One of the top universities in China
- Comprehensive university
- Friendly university
- Main location in the historical part of Shanghai
- Degree and non-degree study programs and numerous courses in English.....

**Low Win Kam, Malaysia**

You may argue or debate with your teachers or fellow students, you may speak out your opinion freely, just because of the good studying atmosphere in Fudan ; You may learn how to live independently ; What is the most important, I feel very happy to study in Fudan. There are also many activities for international students as well, which bring me a colorful campus life...
